Thank you for joining us on our annual cruise to Lake Geneva. We'd like to offer a few simple suggestions to make your cruise more enjoyable.

- We will be travelling at a brisk pace, so please watch your speed and drive safely. We cannot be responsible for any tickets or accidents.
- We will be travelling on rural public roads, so keep an eye out for pedestrians, bicyclists, tractors, dogs and deer.
- There are many turns and hills which may limit forward visibility. Keep a safe distance from the Camaro in front of you and always be prepared to stop unexpectedly.
- Texting while driving is not allowed and is considered unbecoming of Camaro drivers. Save yourself from embarrassment and scorn by not texting while moving. Bring a designated texter if you must. It's also a good idea to avoid taking selfies while driving.
- Passing other Camaros is not allowed at any time. If you want to change your cruise position, please wait until we arrive at one of the stops we make along the way.
- Passing of non-cruise participants is allowed as long as you do it in a legal passing zone and do it safely.
- If for some reason you get lost or need to stop and break from the cruise, please contact us to let us know your situation. We can help you catch up or meet up at the next stopping point. 262-705-6485.

Special thanks to
